

# Class Interest Form

Wolf Ridge offers a variety of classes. Please indicate the classes your family members are interested in on the following charts. (See class descriptions in the Program Details packet.) We will create a schedule based on all participants' interest. Classes will be dropped if little interest is indicated and a participant will be given their 2<sup>nd</sup> choice. We will sign you up for your classes and let you know at check in what your schedule looks like. Once here you can make changes and additions as needed.

**Please turn over for more! Mail to Wolf Ridge by Friday, July 4th. Thanks!**
